Photo Narrative			Few captions are present or correct. Word/Image relationship is ineffective or lacking significantly. Text is not effective. Missing many photos on Flickr.			Some captions are present and correct. Word/Image relationship is somewhat interesting. Text is somewhat effective. Missing some photos on Flickr or photos are disorganized.			Captions are present and correct. Word/Image relationship is interesting. Text from poem is present and placed effectively. Photos are posted and organized.			Captions correctly identify effective angles and transitions. Word / Image relationship is highly engaging. Text is highly effective in use and placement. Photo sequencing is excellent.		
Knowledge and Understanding	3 Captions: Camera Angles 3 Captions: Transitions													
Thinking and Inquiry	Word / Image relationship													
Communication	Use and placement of text													
Application	8-10 Posted to Flickr folder													
Architecture			Few captions are present or correct. Image out of focus. Little range of value. Poor cropping and/or composition. Few angles are used. Many missing photos, missing log.			Some captions are present and correct. DOF is off. Some variety of value is evident. Image is cropped and composed somewhat effectively. Some angles are used. Some missing photos, incomplete log.			Captions are present and correct. A wide DOF is used. A wide range of values are present. Image is cropped and composed effectively, showing a variety of different angles. Photos are posted and logged.			Captions correctly identify effective use of lines / framing. Camera is used skillfully to clearly capture wide range of value. Composition is highly effective. Creative variety of shots. Photos are posted and logged.		
Knowledge and Understanding	Caption: Leading Lines/Framing													
Thinking and Inquiry	Wide DOF in Focus Range of values													
Communication	Cropping, composition, angles													
Application	3 Posted to Flickr folder Log 10 shots													
Macro			Few captions are present or correct. DOF is inappropriate for macro, focus is poor. Ineffective subject for macro. Many missing photos, missing log.			Some captions are present and correct. DOF is off, some focusing issues. Subject is somewhat effective as a macro. Photos are not correctly posted or log is incomplete.			Captions are present and correct. DOF is shallow and subject is in focus. Subject is effective as a macro image. Photos are posted and logged.			Captions correctly identify effective macro strategy. Interesting subject works great as a macro and is clearly and creatively captured. Photos are posted and logged.		
Knowledge and Understanding	Caption: Aperture/DOF													
Thinking and Inquiry	Shallow DOF Subject in focus													
Communication	Effective subject matter													
Application	3 Posted to Flickr folder Log 10 shots													
Abstract			Few captions are present or correct. Shows little exploration with camera. Subject is uninspiring. Poor composition or cropping. Photos are not posted or logged.			Some captions are present and correct. Camera use is somewhat creative. Subject is somewhat interesting. Some errors in cropping/composition. Photos are incompletely posted/logged.			Captions are present and correct. Camera is used creatively. Subject is interesting. Photo is cropped and composed effectively. Photos are posted and logged.			Captions correctly identify highly effective use camera and design principals. Camera is used very effectively to create an intriguing picture. Composition is excellent. Photos are posted and logged.		
Knowledge and Understanding	Caption: Camera Settings Caption: Element / Principal													
Thinking and Inquiry	Creative use of camera Interesting subject matter													
Communication	Cropping and composition Items appear abstracted													
Application	3 Posted to Flickr folder Log 10 shots
